Y. NOTICE,
Acting Secretary to Government.

Port St. George, March 23, 1932 [G.O. No. 878, Law (General)].

No. 209.—In exercise of the powers conferred by section 11 of the Indian Motor Vehicles Act, 1916 (VIII of 1916), the Governor in Council is pleased to make, in pursuance of the Madras Motor Vehicles Act, 1918, the following rules to regulate the use of motor vehicles in the Madras Presidency:—

The rules shall come into force on 1st April 1932.

THE MADRAS MOTOR VEHICLES RULES, 1932.

TITLE, SCOPE AND DEFINITIONS.

1. (1) These rules may be called the Madras Motor Vehicles Rules, 1932.
- (2) They shall extend to the whole of the Madras Presidency.
- (3) In these rules—
 - (a) "Motor vehicle" means a two, three or four-wheeled motor vehicle, fitted with a seat or seats, has without a carriage body (which includes side car) and weighing not more than 5 cwt.
 - (b) "Registering authority" and "Registering authority" mean the Commissioner of Police in the City of Madras and the District Superintendent of Police elsewhere.

REGISTRATION.

2. (a) No motor vehicle shall be used or allowed to be used in a public place unless it has been registered in accordance with these rules or any other rules under the Act having application to the Madras Presidency.

Provided that no person shall be liable to penalty for breach of this rule if the motor vehicle was being used in a public place for the purpose of being registered, in accordance with these rules.

3. (a) Provided further that every motor vehicle which was registered under the rules formerly in force under the Madras Motor Vehicles Act, 1905, such registration being still in force on the date from which these rules take effect, shall be deemed to have been registered under these rules.
- (b) Any registration certificate granted under any enactment for the time being in force in any part of British India other than the Presidency of Madras or in any State or India included in Schedule A, shall be valid in the Presidency of Madras until the date of its expiry.

PROVISIONS ON SUBJECT OF REGISTRATION.

4. Every application for registration shall contain the particulars entered in Form A annexed to these rules.

5. Every registering authority shall keep a register in Form B annexed to these rules and shall, on receipt of an application containing the particulars required by rule 4 for the registration of a motor vehicle, and on payment of the prescribed fee, unless some reason to the contrary exists, assign

FEE FOR THE GRANT OF A LICENSE.

23. The fee for the grant of a new license and the renewal of a license already granted shall be Rs. 3 and Rs. 3 respectively. On a license once being shown, a duplicate thereof may be granted by the judicial licensing authority on payment of a fee of Rs. 25. The word "Duplicate" shall be clearly shown in red ink across a duplicate license.

LICENSEE NOT TO DRIVE IN PUBLIC PLACES.

24. No person in charge of a motor vehicle shall allow it to stand in a public place so as to cause or be likely to cause unnecessary obstruction to traffic, nor shall it be used by a person licensed under the Act unless all reasonable precautions have been taken to prevent its moving or being moved.

DRIVE UPON.

25. The local Government may, by notification in the official Gazette prohibit the driving of motor vehicles altogether in any public place or places or may restrict the driving of motor vehicles in such place or places to such condition, speed or may be indicated upon notice boards erected at the limits of such public place or places.

DRIVE ON THE ROAD.

26. (a) A motor vehicle shall be driven in accordance with the rules of the road which require a vehicle to keep on the left of the road except when passing buses and other vehicles going in the same direction which should be passed on the right and provided that it should not actually pass a bus or on the left or rear axle whether it be going in the same or the contrary direction.

(b) The driver of a motor vehicle, when moving into a side street, if to the left, shall keep clear in the corner, if to the right shall move a wide berth. He shall further when about to cross in the right or left hand hold out his right or left arm horizontally to the right or left of the vehicle and when about to stop raise his arm vertically, palm to the front; when making a turn he shall horizontally wave his hand. Further, when approaching cross roads, he shall sound his horn and indicate with his arm the direction in which he intends to proceed.

(c) A motor vehicle entering a main road from a branch or side road shall enter the main road slowly, give way to the vehicles travelling on the main road and sound horn.

DRIVERS TO OBEY DIRECTIONS OF POLICE OFFICERS.

27A. The driver of a motor vehicle shall obey every direction of a police officer for the time being in charge of the regulation of traffic in any public place.

27B. The direction to be given by a police officer in charge of traffic shall be as follows:—
(1) To stop a vehicle approaching him from the front—arm held above the head, palm facing the vehicle; (2) to stop a vehicle approaching him from the rear—arm held out horizontally at full length from the shoulder; (3) to motion vehicles to proceed in a certain direction—arm moved with a circular motion from the vehicle to the direction in which it is to proceed; (4) at night in any such manner as the licensing authority may direct.

CONSTRUCTION AND REPAIRING THEREOF, ETC.

28. No construction, substantially total, display or exhibition shall be permitted in a public place without the written permission of the District Superintendent of Police, or in the City of Madras, of the Commissioner of Police, who may impose such special restrictions as he may think fit.

DRIVERS OF MOTOR VEHICLES NOT TO CARRY PASSENGERS OR NOT ALONE CONDUCT.

29. While the limits of the City of Madras or of any District Municipality, no driver of a motor-vehicle shall carry a passenger thereon or shall be less any other person thereon.

30A. While the limits of the City of Madras or of any District Municipality or other vehicle shall be driven by or attached to a motor vehicle except as hereinafter provided.

LICENSES ON PUTTING ON ROAD.

31. (1) Motor vehicles which are intended to be let or to ply for hire in any local area or along any public road in the Presidency shall possess special permits in Form G annexed to these rules granted by the Commissioner of Police in the City of Madras or the District Magistrate elsewhere, and shall be subject to the conditions prescribed in such permits.^a

(2) Every motor vehicle which is let or ply for hire shall be registered annually.

(3) The fee payable for the first registration of each motor vehicle shall be Rs. 25 and the fee payable for renewal of registration shall be Rs. 5.

(4) In addition to the fees referred to above, all motor vehicles which are intended to be let or to ply for hire in areas under the control of local boards shall obtain such license from the President of the District Boards concerned as may from time to time be prescribed under the Madras Local Boards Act, 1920.

(5) If for any reason it is necessary in writing the President, District Board, refuses to license a motor vehicle then presenting the vehicle from being used for hire, the fees collected under rule 30 (2) shall be refunded.

HEAVY MOTOR VEHICLES.

The following additional rules shall apply to heavy motor vehicles:—

CONSTRUCTION.

32. In these additional rules:—

(a) the expression "heavy motor vehicle" means a motor vehicle exceeding two tons in weight, exclusive;

(b) the expression "trailer" means any vehicle drawn by or attached to a heavy motor vehicle;

^a In the case of motor vehicles owned by a resident of an Indian Railway, regularly plying for hire between any place in station, one of the vehicles may be let for hire under the City of Madras Municipality, a permit in Form G shall be taken from a proper authority in the Presidency. In special circumstances or during war, however, no necessary.

(b) the expression " axle-weight " means, in relation to an axle of a heavy motor vehicle, the aggregate weight transmitted to the road or to other base where the heavy motor vehicle or trailer comes at rest, by the several wheels attached to that axle when the heavy motor vehicle, or the trailer, is loaded;

(c) the expression " registered axle-weight " is relation to an axle of a heavy motor vehicle, means the axle weight of that axle as registered by the registering authority in possession of the rules;

(d) the expression " weight " when used in relation to a heavy motor vehicle or trailer attached to it means (i) when the vehicle or trailer is loaded, the weight of the vehicle including all parts coupling it, axles, fast, axle and attachments which are necessary for, or are ordinarily used with, the vehicle or trailer when working; provided that when alternative parts or tyres are used, the heavier shall be taken for the purpose of calculating the weight; and (ii) when the vehicle or trailer is laden, its weight when loaded, plus the useful load including the weight of the driver;

(e) the expression " width " is relative to the top of a wheel, means the distance measured perpendicularly and in a straight line across the central portion of the wheel and between the two points in the outer surface of the tire which are furthest apart;

(f) the expression " diameter " is relative to a wheel, means the diameter measured between the two opposite points in the outer surface of the tire which are furthest apart.

ADDITIONAL PARTICULARS TO BE FURNISHED WITH APPLICATION FOR REGISTRATION.

22. In addition to the particulars prescribed by rule 11 above, the following particulars shall be furnished with an application for the registration of a heavy motor vehicle:—

- (1) weight of heavy motor vehicle or trailer, including
- (2) axle weight of each axle,
- (3) diameter of each wheel.

FEE FOR REGISTRATION.

23. The fee payable in respect of registration of a heavy motor vehicle shall be Rs. 12. Such registration shall continue in force for a period of not more than twelve months from the date thereof. Registry may be obtained annually on payment of a fee of Rs. 15.

GENERAL CONDITIONS TO BE FURNISHED.

24. The registering authority shall decline to register a heavy motor vehicle unless he is satisfied that it fulfils all the conditions applied to heavy motor vehicles laid down by rules 11 and 12 above the law, and in order that he may satisfy himself, he may require the production of the heavy motor vehicle at such time and place as he thinks fit and may also cause the weight of the heavy motor vehicle and the axle weight of each axle to be ascertained in such manner as he may by general or special order direct.

REGISTRATION AUTHORITY MAY CAUSE THE AXLE-WEIGHT FOR THE WHEEL BEING OF ANY AXLE OF A HEAVY MOTOR VEHICLE TO BE ASCERTAINED.

25. When the registering authority or any officer duly authorized by him in this behalf has reasonable ground for suspecting that the axle-weight for the time being of any axle of any heavy motor vehicle or trailer drawn thereby exceeds the registered or marked axle-weight of that axle he may cause the axle weight for the time being of any such axle to be ascertained.

The person driving or in charge of such motor vehicle shall to the best of his ability afford all such facilities as may reasonably be necessary for the purpose of ascertaining the axle-weight as aforesaid.

RESTRICTIONS WHICH TO BE ENFORCED BY POLICE.

26. Unless he declines to attendance with rule 11 to register heavy motor-vehicle, the registering authority shall proceed in accordance with rule 12 above and, upon receiving the certificate in Form C, the owner of the motor vehicle shall cause:—

- (a) the highest rate of speed at which, in conformity with the rules, the heavy motor vehicle may be driven,
 - (b) the registered weight of the heavy motor vehicle or trailer, and
 - (c) the registered axle-weight of each axle
- to be printed on a certificate placard marked in letters not less than one inch in height, and on each a number as to be legible at a reasonable distance, upon some conspicuous part of the left or rear axle of such heavy motor vehicle in the case of (a), and in the case of (b) and (c) of the right or offside.

CONDITIONS FOR THE USE OF HEAVY MOTOR VEHICLES.

27. No person shall cause or permit a heavy motor vehicle to stand or be used in a public place or shall drive or have charge of a motor vehicle when so used unless the following conditions are satisfied:—

- (1) (i) The axle-weight of any axle of a heavy motor vehicle shall not exceed the registered axle-weight.
- (ii) The registered axle-weight of any axle of a heavy motor vehicle shall not exceed eight tons and the axle weight of a trailer shall not exceed five tons.
- (iii) The sum of the registered axle-weights of all the axles of a heavy motor vehicle shall not exceed twelve tons.
- (2) The three of each wheel of a heavy motor vehicle, unless the tire are pneumatic or made of such or plastic material, shall be worn, and shall, when first touched the surface of the road, or other base whereon the heavy motor vehicle moves or runs, be flat, provided that the edges of the tire may be beveled or rounded to the extent in the case of each edge of not more than half an inch.

Provided also that—

(3) if the law is constructed of separate plates the plates may be secured by parallel spars which shall be disposed throughout the outer surface of the tire so that wherever shall the spars be subject of the same to fracture in the course of a straight line drawn radially across the circumference of the wheel on and one eighth part of the width of the tire;

(4) the driving wheels of a heavy motor vehicle shall be of cast-iron and smooth metal or steel with diagonal stress lines of not less than three inches in width nor more than three quarters of an inch in the space, measuring the full breadth of the tire, and the space intervening between such stress crossbars shall not exceed three inches;

(5) the width of a tire of such wheel of a heavy motor vehicle shall be determined by rule of the following conditions as may apply to the circumstances of the case, that is to say—

(a) the width shall in every case be not less than six inches;

(b) the width shall be equal to the number of half inches which is equal to the number of units of registered axle-weight of the axle to which the wheel is attached.

The rule or registered axle-weight shall vary according to the diameter of the wheel, and the rule is set forth in the subjoined table; that is to say—

(1) if the wheel is three feet in diameter the unit of registered axle-weight shall be 7½ cwt.

(2) if the wheel exceeds 3 feet in diameter, the unit of registered axle-weight shall be 7½ cwt. with an addition of weight in the proportion of one hundred-weight for every 12 inches by which the diameter is increased beyond 3 feet; and in the same proportion for any increase which is greater or less than 12 inches.

(3) if the wheel is less than 3 feet in diameter, the unit of registered axle-weight shall be 7½ cwt. with a deduction of weight in the proportion of one hundred-weight for every 6 inches by which the diameter is reduced below 3 feet, and in the same proportion for any reduction which is greater or less than 6 inches.

Provided that these rules shall not apply in any case which is pneumatic or which is made of a soft or elastic material.

(4) The diameter of a wheel of a heavy motor vehicle, if the wheel is fixed with a tire which is not pneumatic or is an axle of elastic material, shall be not less than 2 feet.

(5) A heavy motor vehicle shall, when measured between the extreme projecting points, be of a width not exceeding 7 feet 6 inches, and no heavy motor vehicle or load carried up of a motor vehicle with one or more trailers attached to it shall be used in any public place if such motor vehicle or trailer exceeds 28 feet in length. The height of a heavy motor vehicle when loaded and measured from the ground level to the highest point of the load or load, whichever is higher, shall not exceed 10 feet.

(6) The heavy motor vehicle shall be constructed with suitable and sufficient springs between such axle and frame of the heavy motor vehicle.

DESIGN OF CYLINDER TANK AND DISCHARGE OF STEAM.

25. The cylinder tank of a heavy motor vehicle propelled by steam shall not be opened within sight of any person driving, riding, loading or in charge of any horse upon the road or street, nor shall the tank be allowed to remain in such a position as to expose the full tank by the safety-valve so that no steam shall have off when the vehicle is upon the road or street.

CONSTRAINTS FOR THE USE OF TRAILERS.

26. No person shall haul, by means of a heavy motor vehicle, in any public place, more than three trailers at a time, nor any trailer, unless the following conditions are satisfied:—

(1) Each trailer shall comply the conditions hereinafter for heavy motor vehicles as to registered maximum axle-weight, tire, width of frame, use of wheels, width of wheels and springs, use of that, in the case of a trailer, the registered maximum axle-weight shall not exceed four tons and that the maximum width of one shall be three inches over in the case of trailers not exceeding one ton in weight which shall be exempted from the prescribed requirements as to width of the tire;

(2) each trailer attached to a heavy motor vehicle shall have a brake approved by the registering authority and each trailer shall carry upon it a person competent to apply the brake whenever, provided that, when the brakes upon the motor vehicle to which any trailer is attached are so constructed and arranged that either of them can be used without bringing into action simultaneously the brake attached to the trailer, or if the brake of the trailer can be applied from the motor vehicle independently of the brake of the tractor, this rule shall not apply;

(3) the heavy motor vehicle shall not at the time be in use as a public conveyance.

DESIGN OF BRIDGES.

27. (1) Where any duly constituted authority or any one or more in suitable and convenient positions, or such approach to a bridge, forming part of a highway, unless within the carrying capacity of the bridge which, as respects all their own or other power, use, design and structure, is made and built by persons approving the bridge, the owner of a heavy motor vehicle, who is in charge of registered axle-weight of which exceeds the carrying capacity of the bridge as specified in the said table shall not cause or suffer the motor vehicle to be driven, and the person driving or in charge of the motor vehicle shall not cause the motor vehicle to be driven upon the bridge.

(2) The owner of a heavy motor vehicle shall not cause or suffer the motor vehicle to be driven and the person driving or in charge of a heavy motor vehicle shall not drive the motor vehicle upon a bridge forming part of a highway at any time when another heavy motor vehicle is on the bridge, if the combined weights of the vehicles exceed the carrying capacity of the bridge.

DRIVE LIMITS.

45. No person shall drive a heavy motor vehicle in any public place at a speed exceeding seven miles an hour.

Provided that—

Form for the lifting or placing for hire of motor-vehicles, granted under rule 70 of the Madras Motor-Vehicles Rules, 1922.

The District Magistrate of _____ (Name of District) hereby permits _____ (Name of person) the lifting or placing for hire of the motor-vehicle described below, subject to the following conditions and also subject to any license granted under section 168 of the Madras Local Funds Act:

(Here enter description of motor-vehicle.)

Conditions.

(1) This permit is granted subject to the provisions of the Madras Motor-Vehicles Act, 1924, and the rules made under section 12 thereof. It shall be in force for a period of twelve months from this date.

(2) Not more than _____ passengers, in addition to the driver and conductor, shall be carried in the vehicle with luggage not exceeding _____ lbs., but in place of each passenger short of the prescribed maximum, goods or luggage to the weight of _____ lbs. may be carried. The conductor shall stop cases of tickets when the maximum number of passengers the vehicle is allowed to carry has been reached.

(3) The permit shall be signed by the driver of the car whenever the vehicle is in motion and the number of persons and weight of luggage specified in condition (2) shall be printed on a conspicuous part of the vehicle.

(4) The owner of the vehicle, if it be a motor bus, shall guarantee to the Commissioner of Police in every six months by a person approved by the District Magistrate or the Commissioner of Police as to the structural strength, condition and working order generally, and his certificate as to its fitness for use on the road should be submitted by the owner to the District Magistrate or the Commissioner of Police as the case may be. The vehicle shall not be let or ply for hire for a period exceeding one month without its being examined and certified in the manner specified above.

(5) The vehicle shall at all times be open to inspection by (a) any magistrate or (b) any officer not below the rank of Inspector of Police. If on such officer considers the vehicle to be unfit for use on the road he shall suspend the license to carry and shall communicate the same to the owner as well as to the District Magistrate or the Commissioner of Police as the case may be. The vehicle shall not then be let or ply for hire without the special permission of the District Magistrate or the Commissioner of Police as the case may be until a certificate as to its fitness has been obtained from a person approved by that authority.

(6) This permit may be cancelled by the District Magistrate or the Commissioner of Police for any breach of its conditions or for any infringement of the provisions of any Act, or of any rule having the force of law. When any permit has been cancelled the holder thereof shall forthwith return it to the officer who issued it.

(7) The vehicle shall be driven only by a person certified by the licensing authority to be competent to drive the particular vehicle.

(8) The weight of the vehicle, when fully loaded, shall be not more than six tons.

(9) The speeds at which the vehicle may be driven shall be subject to the following restrictions—

(Here enter conditions.)

(10) This permit shall not be transferred to any other person without sanction duly obtained thereon by the licensing authority.

Form F₁—If the purpose of this condition is a motor bus, it shall be taken to mean a motor-vehicle which is licensed for hire and is not a motor cycle, for a hire or for a person other than the driver.

Form F₂—Condition (4) is applicable only to motor buses, whereas condition (1) applies to motor vehicles of all kinds. In the case of a motor bus, however, the inspection must be made by the District Magistrate or the Commissioner of Police, and the certificate must be submitted to the District Magistrate or the Commissioner of Police as the case may be. The inspection must be made at least once in every six months for the purpose of ascertaining the structural strength, condition and general running order of the motor bus.

Form F₃—Where a motor vehicle is the case of motor vehicles, condition (4) and (5) shall be observed only in so far as they relate to the motor vehicle and shall not be observed by the driver and conductor. The full weight inspection shall be made by condition (4) and (5) and shall not be observed by the driver and conductor.

Acting Secretary to Government.

Per G. George, April 3, 1893.

No. 317.—The following resolution of the Government of India is republished:—

HOME DEPARTMENT

POLLING

India, 16th December 1892.

No. 1032-SM.—In pursuance of the orders contained in the Resolution of the Government of India in the Home Department, No. 3021-SM, dated the 5th December 1892, the Government General in Council is pleased to issue the following instructions with regard to certificates of identity.

1. Every native of India who contemplates proceeding out of India to foreign countries is strongly urged, before leaving, to furnish himself with an authoritative certificate of identity, in the form appended to this Resolution, signed by the head of the District (in a Presidency Town and in the town of Nagpur, the Commissioner of Police) in the case of residents of British India, and by the Political Officer in that of residents of Native States. In the case of a resident the certificate should be signed by the head of his last school or college and countersigned by the District Officer (in a Presidency Town and in the town of Nagpur, the Commissioner of Police) or Political Officer in the case may be.

2. Appeals for assistance by destitute Indians who desire repatriation and by students who, owing to impoverished circumstances, are unable to complete their course of education except on credit with satisfactory evidence, the parties can in a previous to produce evidence of identity. The production of a certificate of identity will be especially useful to young men of good family, as it may enable the Secretary of State to select for them small and other emolument.

Those who are desirous, however, of travelling to countries where a passport will be necessary are advised to furnish themselves with such a document also before leaving India, in lieu of, or in addition to, a certificate of identity. It should be remembered that no person is entitled to a passport, on of right, on the ground that he is a British subject, and the production before authorities outside India of a certificate of identity, unless supplemented by documentary evidence of responsibility, is no sufficient to ensure that a passport will be granted.

Form of Certificate of Identity.

1. Name of applicant.
2. Father's name and caste.
3. Residence.
4. Age of applicant.
5. Nationality of applicant.
6. Social or pecuniary status of father (or guardian).
7. Date of probable departure of applicant from India.
8. Object of applicant's visit to England (Europe).

Signature of District Officer (in a Presidency Town, the Commissioner of Police or Political Officer, or head of school or college.)

Signed

* i.e., whether a British subject by birth or by naturalization (or a subject of a Native State).

† Government of the District or Political Officer should be obtained on certificates signed by heads of schools or colleges.

§ Foreign (except well-known) identity intending to apply subsequently in England or elsewhere for a passport to visit foreign country is a woman that no person is entitled to a passport on of right, on the sole ground that he is a British subject. The production of a certificate of identity, therefore, without credibly to sufficient responsible, good after solemnly warning to have passports in India, including that his Indian is a full and proper person in matters a passport.

Fort St. George, Madras, 10th 1923 (P.O. No. 191, S. & N.).

NO. 305.—In O.G. No. 2421 S. & M., dated 26th December 1922, the Government drew attention to their notification of 29th December 1922 in which they published for information the draft of a rule which they proposed to issue to regulate the payment of travelling and halting allowances to non-official members of local boards, including presidents and vice-presidents. The objections and suggestions received in respect of this rule have been considered by the Government and the rule has been revised and is now submitted as amended and shown in the appended notification.

2. Officers are requested to arrange for the reproduction of the notification in the several district gazettes.

REGULATION.

In exercise of the powers conferred on them by sub-section (1) of section 128 of the Madras Local Boards Act, 1915, the Local Government hereby make the following rule to regulate the payment of halting and travelling allowances to non-official members of local boards, including presidents and vice-presidents:—

Rule

The provisions of the Madras Travelling Allowance Rules in force shall be applied, in respect of the travelling allowances payable to non-official members of local boards, including presidents and vice-presidents, subject to the following amendments as contained here:—

(1) The presidents of a district board may draw daily allowances, mileage and railway fare in the rules applicable to the Collector of the district.

(2) Presidents of local boards and vice-presidents of district boards may draw daily allowances, mileage and railway fare at the rates applicable to gazetted officers on a par with Rs. 350 per mensem exceeding Rs. 100.

(3) Other members of local boards shall not be paid any daily allowance, but may be paid mileage and railway fare at a rate not in excess of that payable by the local board concerned, subject to the following maximum limits:—

First class a mile by road; three annas a mile by canal and by rail; a single second class fare and in addition one third class fare.

(4) The total travelling allowances that may be drawn in a half-year shall not, without the special sanction of the board concerned, exceed Rs. 1,000 in the case of the president of a district

GOVERNMENT EXAMINATIONS.

GOVERNMENT TECHNICAL EXAMINATIONS, APRIL 1922.

Candidates in all the subjects must bring with them for use in the examination their own Pens, and Pencils. Candidates are also informed that they must bring their drawing instruments with them for those subjects which require plans to be squared or drawn and designed by the student. The drawing paper required will be supplied to them at the examination.

Candidates in *Drawing and Lettering (Advanced grade only)* will be allowed to bring with them their mathematical tables for use in the examination.

Candidates in carpentry, and any other subject, the practical examination in which requires the use of tools, etc., must bring their own tools, etc., with them.

Candidates in Book-binding, Commercial Geography, Shorthand and Type-writing will be expected to bring with them for use in the examination, but their own rulers, compass, knives, pencils and pens.

Candidates for examination in the subjects under "Commons" will be allowed also to bring with them sets of five or more colours (other than black ink) for map-drawing, drawing lines in Book-binding, etc.

Candidates in shorthand will be allowed to borrow their shorthand notes with a type-written. They will not be supplied with any "blank" paper for the purpose, but will be allowed to bring with them their own "blank" paper, if they wish to use such paper. The use of such paper will be as accepted, if allowed in transcribing the shorthand notes with a type-written. If the machine used by a candidate, however, goes out of order, no extra time will be given to him to compensate for loss of time while the machine is out of order and being got right.

Candidates in type-writing will have to bring their own type-writers also and the necessary carbon paper with them and must speedily clean up their carbon papers the particular kind of machine used by them as, otherwise, their carbon papers will not be valued.

8. No candidate will, in any manner, be allowed to take into the examination room ink, blotter, books, ruled sheets, manuscripts or papers of any kind. Any one detected in the violation of this rule or having possession of any other articles, will be removed from the room, and the answers reported to the Commissioners. The use of mathematical instruments for drawing figures or ruling lines will, however, be allowed.

9. Candidates whose names are not in the printed list furnished to the Superintendent must submit a written declaration through the Superintendent giving full particulars in regard to themselves, including their address, and furnish such evidence as may be possible of their having applied for admission to the examination at the proper time and paid the prescribed fee. The answer papers of such candidates will not be valued unless it is clear that the absence of their names is due to no fault of their own.

10. Candidates desiring to change their place of examination without previous permission, or appearing at any centre other than the one at which they might be lawfully appearing according to the notice published in the Gazette, must not expect to have their papers valued or their results published. In all cases where permission has been granted, the Superintendent is under no obligation to change the date of the examination or the substitution of the Superintendent.

11. Candidates may have to write their answers on both sides of the paper supplied to them, and they will receive the necessary instruction as to this point at the examination hall from the Chief Superintendent of the examination.

12. A candidate, having completed his paper will rise from his seat and remain standing until the Superintendent takes his answer papers. Any candidate wishing to ask any question of the Superintendent will pursue the same course, but will sit on no account leave his place.

13. Any answer papers, or any work in Carpentry, etc., sent up without the candidate's name and number attached will not be valued. The answer papers and drawings should be stacked or packed together at the upper left-hand corner, and the whole folded in two, lengthwise (not crosswise into four). The place of examination and the name and number should be written and clearly by the candidate on the top right hand side of the first page of the answer paper, as well as on the top of the paper when it is folded.

14. Candidates are forbidden to note down the answer to any question on the question paper itself; they will not be allowed to take any papers, except their question papers, out of the examination room.

15. Candidates are forbidden to leave any paper, or to throw ink or papers on the floor. All rejected copies, etc., should be left on the desk where the candidate has been writing.

N.R.—The examinations at Hyderabad will be held in the local Government Normal School, Chhatrapati.

At St. George.—In the case of candidates for the Elementary and Intermediate grades, tickets of admission specifying the particular batch (first or second) and at which in which they elect to appear will be issued on these days. These tickets should be shown at the entrance. Candidates who produce tickets will be admitted to the batch specified in the tickets. Candidates who do not produce tickets will be taken round claim to be admitted to any particular batch. They will be admitted only if space can be available in the batch, i.e., after those are reserved for those who have reported their names and obtained tickets for the batch. Candidates who do not hold tickets will accordingly have to wait at the entrance from the time of commencement of the first batch and take their chance of being provided with seats in the last or in any subsequent batch. To avoid all inconvenience and possible disappointment heads of institutions and private candidates are particularly requested to call on the office on the 15th and 17th April and obtain tickets. No tickets can on any account be sent by post whether in hands of institutions or to private candidates.

Candidates for the Advanced grade may appear for the first or second batch at their option and no tickets accordingly are issued for this grade.

At Malacca.—Managers and instructors of institutions and other persons who wish to be allowed into the examination hall to inspect the machines and remedy any defects should call at the office on the 15th and 16th April and have their names registered. Tickets of admission specifying their names, the institutions to which they belong, etc., will be issued to them and these should be produced at the entrance to the examination hall.

The examination in Typewriting will, wherever the candidates have to be examined in batches, be conducted as in the following time-table:—

Batch.	Elementary examination.		Intermediate examination.		Advanced examination.	
	First paper.	Second paper.	First paper.	Second paper.	First paper.	Second paper.
	Friday, 18th April.		Saturday, 19th April.		Saturday, 19th April.	
First batch	8.45 a.m. to 10 a.m.	10.15 a.m. to 11.45 a.m.	8 a.m. to 9.45 a.m.	10.15 a.m. to 11.45 a.m.	10 a.m. to 11.45 a.m.	12.45 a.m. to 2.15 p.m.

R.E.—At Malacca will be allowed to leave his seat in the interval between the first and second papers.

In the case of the Elementary examination, candidates of the first and the second batches will not be allowed to leave the examination hall until 11.30 p.m., and no candidate for the third and fourth batches coming after this hour will be admitted to the examination. For the Intermediate examination, candidates of the first batch will not be allowed to leave until 11.30 a.m., and no candidate for the second and third batches coming after this hour will be admitted. Similarly for the Advanced examination, candidates of the first batch will not be allowed to leave until 1.15 p.m., and no candidate for the second batch coming after this hour will be admitted. Candidates that have not a separate machine and that do not want to be examined in batches are expected to appear for their examination with the third batch for the Elementary, and with the second batch for the Intermediate and Advanced examinations.

Managers and instructors of institutions concerned will be allowed into the examination rooms on the intervals between the examinations of the various batches to inspect the machines and to remedy any defects.

If a candidate reports to the Superintendent that his machine has gone out of order, the Superintendent will instruct him to the manager or instructor if he is waiting outside on the premises, and will give a note manager or instructor to enter the hall or room through the candidates may be at work) to inspect the machine and to remedy the defect or to supply another machine. If not, however, he clearly understood that the Superintendent bears no responsibility in this matter; his action will be purely on paper, the whole responsibility resting on the candidate and the manager or instructor.

A student concerned will be allowed in the case of a private candidate if he has some one outside who is willing to inspect the machine and get it right, etc.

No extra time will be given to candidates in response for loss of time while the machine is out of order and being put right.

GOVERNMENT TECHNICAL EXAMINATIONS, APRIL, 1953

ORAL AND PRACTICAL EXAMINATIONS IN THE SCIENCE GROUP PROGRAMME.

It is hereby notified that the following arrangements have been made for the conduct of the Oral and Practical Examinations in the subjects under Programme.

Candidates who may not be able to attend the Oral and Practical Examination should intimate the fact, sufficiently early, to the manager whose name is entered against the names mentioned by them, so that arrangements may not be made for their examination.

GOVERNMENT TRAINING SCHOOLS, MADRAS DISTRICT.

The District Educational Officer, Madras district, hereby notifies for the information of the other District Educational Officers and Deputy Inspectors of schools and the Managers of aided schools that candidates of the Elementary Grade will be admitted for training in the Government Training Schools under the scheme as shown below:—

Name of institution.	Number of stipends available.		Total.	Date of admission.
	Elementary Higher.	Elementary Lower.		
(1) Government Higher Elementary Training School for Mahamudum, Madras	40	19	59	In July 1923.
(2) Government Lower Elementary Training School for All-Srinivas, Madras	40	40	Do.
(3) Government Higher Elementary Training School, Triplicane ..	30	19	49	Do.

2. The period of training is two years in the case of the students of both the Elementary Higher and Lower grades.

3. The District Educational Officer, Madras, will make the selection on the recommendation of the Inspecting officers.

4. Inspecting officers are requested to forward two lists, one of selected and the other of rejected candidates.

5. The lists of selected and rejected candidates should be forwarded to the District Educational Officer, Madras, by the Inspecting officers before the due date. The names of selected candidates should appear in the list in the order in which the Inspecting officers wish they should take i.e., they should be selected in reference to their general educational attainments, their service as teachers, the need for their training and the nature of their appointment and the school from which they apply for training. Candidates who do not satisfy the condition of age-limit under rule 114 of the Madras Educational Rules should not, except in very special circumstances, be included in the list and the selection should, if regulated, as far as possible, by rule 115. In the case of rejected candidates, the reasons for rejection should carefully be mentioned against each.

6. To provide for the contingency of some of the candidates selected not joining the training school, a few more than the sanctioned number will be selected by the District Educational Officer. All selected candidates who present themselves at the Training Schools on the opening day will be admitted; those who present themselves later will be admitted in the order in which they present themselves but only up to the number of sanctioned vacancies.

7. The list should not generally include any one who has not kept a teacher before or attending whom there is a doubt whether he really intends to make teaching his profession.

8. In the selection of candidates for training, those who were awarded stipends last year, but were released on account of their not appearing in time, might have a first claim for admission.

9. In addition to Provincial stipendaries, candidates whose stipends are paid by Local or Municipal Boards will be admitted for training, so also private candidates at free schools. No provincial stipend will be considered for teachers who held permanent appointments in Board and Government schools, or who had not, yet, been appointed in permanent vacancies or who have been given provincial appointments by presidents of local boards who employ them. In the case of these teachers, also information should be given in the application regarding the nature of the appointment held by them (permanent, temporary, etc.) and as to whether the nature may be and whether the presidents of the local boards concerned are prepared to pay stipends on behalf of the teachers recommended by them. The applications of these candidates should invariably be signed by the presidents of the local boards.

10. As regards the qualifications for admission, only those candidates who have passed the general examination of the III form or VIII standard or have been awarded an Elementary School Leaving Certificate of the standard, are eligible for admission into the Elementary Higher class, and only those who have passed the late Primary School Examination or a corresponding public or school examination or whose attainments in the opinion of the Inspecting officers are not lower than those are eligible for admission into the Elementary Lower class. Preference should be given, as much as possible, to candidates whose educational attainments are above the minimum requirements. The records of general education should be sent in original with the application. The certificate of physical fitness need be produced only by the candidates chosen as stipendaries. Requests for admission could not be considered by candidates whose applications are signed by an Inspecting officer. Applications which are sent without the original general education certificate will be rejected.

11. In cases in which the number of candidates applying for training is in excess of the number for whom there is provision, the selection should be made on the result of an entrance examination conducted by the Deputy Inspectors of schools. The number of stipends available for each stage is the same as that available in previous years.

12. Printed forms of application can be obtained from the subordinates Inspecting officers.

13. Applications completed in accordance with the above instructions should reach the District Educational Officer, Madras district, before the 31st May 1923. Applications received after the specified date will be rejected.

Applications from teachers employed out of this district must come through the respective District Educational Officers and no exception whatever to this rule will be granted.

54. Only Adi-Dravida teachers whose certificate is valid should be recommended for admission into the Government Adi-Dravida Training School, Madras. The question of re-admission of the Adi-Dravida Training School with the Triplicane Training School is under consideration. If the re-admission comes out in favor and Adi-Dravida students should be prepared to study in the designated institutions.

55. There is a hostel attached to each of the training schools except the one at Triplicane. Of the students admitted and admitted into the training schools, those who do not live with their families or with relatives will be required to become members of the hostel.

56. In the Government Training School, Triplicane, students for the Higher Elementary will be trained if only a sufficient number of applications come in.

H. A. NAYL

District Educational Officer, Madras.

Madras, 23rd March 1923.

GOVERNMENT TRAINING SCHOOLS, TIRUNELVELI AND ANJINGO DISTRICTS.

The District Educational Officer, Tirunelveli and Anjingo, hereby notifies that candidates of the secondary and elementary grades will be admitted for training in July 1923 in the Government Training Schools, Tirunelveli and Kollupet.

Only those who have passed the Primary examination or its equivalent need apply for admission into the elementary lower grade.

5. The applications of candidates who have not forwarded personal education certificate in original will not be considered. The certificate of physical fitness will be required only of candidates who have been chosen as stipendiaries.

6. Applications should invariably be recommended by the manager of a recognized institution.

7. Teachers employed in secondary schools should submit their applications through their managers and those in elementary schools through the Deputy Inspector of the region in which they are employed.

8. Each Deputy Inspector of Schools in the Tirunelveli and Anjingo districts will submit only one list of candidates in his region and the names of selected candidates should appear in the order in which he wishes they should be taken (i.e. they should be entered in preference to those given in subsequent order)—their names as teachers, the need for their training, the nature of their appointments and the schools from which they apply for training. In the case of rejected candidates the reasons for rejection should be mentioned against each.

9. Attention is invited to rule 114 (b) of the Madras Educational Rules as regards the condition of the age limit to be observed.

10. Personal forms of applications can be obtained by the applicants for training in the secondary grade from the District Educational Officer, Tirunelveli and Anjingo districts, provided they apply through the corresponding of a recognized secondary school. All forms should apply to the Deputy Inspector of Schools of their region. Applications for admission in the elementary training schools should state the other training school or schools to which they have applied for admission.

11. Applications should reach the District Educational Officer, before 15th May 1923. Applications which are received after the above date or which are not properly in accordance with the above instructions will not be considered. Applications from teachers employed in schools outside the Tirunelveli and Anjingo districts must come through the respective District Educational Officers.

12. In addition to provisional stipendiaries, candidates whose stipends are paid by local or municipal boards will be admitted for training. They may also be recruited for free schools without stipend. No provision stipend will be considered for teachers who hold permanent appointments in local and municipal schools or who hold any other appointments in permanent appointments in local and municipal schools or who have been given permanent appointments in permanent appointments in local and municipal schools. The applications of such candidates should be signed by the presidents of local boards and not by managing officers.

V. KARASIMHARATYU.

Deputy District Educational Officer, Pudukottai.

Pudukottai, 21st March 1923.

GOVERNMENT TRAINING SCHOOLS IN THE RAJNAD DISTRICT.

The District Educational Officer, Rajnadi, hereby notifies for the information of the Deputy Inspectors and Managers of Schools in the district that candidates for the elementary grade will be admitted for training in July 1923 in the Training Schools as noted below:—

Name of Institution.	Number of pupils available.	
	Elementary Boys.	Elementary Girls.
Government Training School, Rajnadi.	40	40
Government Training School, Pudukottai.	..	40

3. The period of training is two years.

4. The District Educational Officer will make the selection, but applications for admission should be forwarded to the Deputy Inspector of the Rajnadi District. Teachers employed in the Government schools should submit their applications for training to the Deputy Inspector of the Rajnadi District. Candidates should be informed that they should join the school on the 1st July 1923. Absence on the re-opening day without just and reasonable cause will be taken into account.

5. Each Deputy Inspector is requested to furnish the teachers whose names are recorded in the register as attached in his office as per article 146 of the Inspector Code with forms of application for admission, printed, typewritten or manuscripted and so receipt thereof from the candidates, to be sent to the Deputy Inspector according to the instructions given below.

6. Two separate lists can be for the Higher Elementary candidates and the other for the Lower Elementary candidates—and that for each training school must be forwarded to the office of the Deputy Inspector and submitted with a separate statement containing the following particulars about each candidate:—

(1) Serial number; (2) Name full; (3) Age on 1st July 1923 and date of birth; (4) Caste or race; (5) Present occupation; (6) Length of service as teacher; (7) Educational qualifications; (8) Language; (9) Certificate of the Deputy Inspector or the President of the Local Board for providing the applicant with an appointment after training; (10) Whether a stipend is desired; (11) Remarks.

NOTE.—Each candidate must be given (a) public examination passed with pass and number of certificates, or (b) private certificates held, or (c) school leaving certificates held, or (d) name of Government School certificate held with number and date, or (e) in the absence of any of the foregoing, a certificate from the Deputy Inspector of the grade to the effect that the candidate's educational qualifications entitle him to admission.

Higher Elementary students should produce a Lower Elementary Examination certificate or a Transfer certificate of having received promotion from the third form or a certificate from the Superintendent of a recognized high school, that they have read in the fourth form at least, or in Elementary School-Leaving certificate of having been promoted from the eighth standard.

4. The holder of the certificate should contain the names of the candidates in the order in which the Deputy Inspector desires that the selection should be made, and they should be selected with reference to their service as teachers, the need for their training, age, the school from which they apply, their qualifications and the nature of the appointment held by them. The attention of the Inspecting officer is directed to Madras Educational Rules 104 and 105. It is expected that each Deputy Inspector's list will contain at least ten names for each grade.

NOTE.—Stipend should be made to get as many higher grade candidates as possible.

7. Teachers employed in Local Board School will have to be paid their stipends from the Board's own funds. If there is any provision in the Local Board or the Municipal bylaws under 'Stipends to teachers,' applications may be received from the teachers with the sanction of the President, Town Board, or the Committee of the Municipal Council, as the case may be, and submitted with a separate list for each training school and for each grade.

8. If any applications be received from candidates for training in the schools not of this district, they should be submitted separately with a separate list.

9. Certificates in original should be submitted with the applications and the Deputy Inspector should verify themselves as to the correctness of the information given up thereon.

10. The lists complete in every respect and the application fee must be submitted direct by the Deputy Inspector in the office on or before the 15th May 1923 without fail.

Madurai, 27th March 1923.

SCHOLARSHIPS FOR THE STUDY OF MECHANICAL ENGINEERING AND ELECTRICAL ENGINEERING.

Government have sanctioned the award of three scholarships of the value of Rs. 50 each per session towards the cost of the study of Mechanical Engineering, Electrical Engineering, and Electrical Engineering, for a period of four years commencing on 1st July 1923 for the study of Mechanical and Electrical Engineering. Candidates desiring to apply for these scholarships should submit their applications to the Principal of the College of Engineering, Kurna, on or before the 1st June 1923. Each application should be in the candidate's own handwriting and in the form appended. The selection will rest with the Principal.

2. Candidates should be either students in Arts or have passed the Intermediate Examination of the Madras University with Group I as the required result. They will be required to produce satisfactory evidence of good character and of physical fitness to undergo the course of study that will have to be followed. The applications should show clearly age, nationality and general educational attainments.

3. The holders of the scholarships will not be bound by any engagement to serve Government on the completion of their course, nor will the Government be bound to employ them. Each holder will, however, be required to fill two vacancies to secure an agreement, providing for the return to the Government of the amount of the scholarship, should he fail to obtain the diploma at the end of the course.

4. The scholarships will be disbursed by the Principal of the College of Engineering. In case the Principal is not satisfied with the progress or conduct of any scholarship-holder, the scholarship will be stopped.

5. Production of the course of study and a copy of the College rules may be obtained on application to the Principal.

Note.—There is no restriction in regard to age and holders of these scholarships are eligible for the college diploma, but they are not eligible for the guaranteed appointment, which is not given. The first and second years of the course may be paid by scholarship-holder. Applications are to contain particulars in the following regard to the education of applicants.

The Standard Barometer and Thermometers are read at 8 a.m., 10 a.m., 2 p.m. and 8 p.m., and the daily means are obtained by the application of hourly corrections, deduced from twenty years' observations. The surface of the barometer is twenty-two feet above the level of the sea, and the surface of the rain gauge is two feet from the ground. The wind, rain and general weather registered are for the current Civil Day—from midnight to midnight.

The total quantity of rain collected since January 1st is 2.50 inches, the average due for the same period being 1.40 inches.
